This home is only a few years old which for the area is an advantage but having the character weatherboard look is a perfect blend of old and new. Quality polished floorboards throughout and modern tones gives an updated feel so you can just move in and enjoy. Boasting 3 bedrooms with the main bedroom having a generous walk in robe and neat ensuite to indulge in, large windows to awake to and take in the scenic gardens. A further 2 bedrooms both with built in robes. Main bathroom has a luxury family sized bath a real treat and neat as a pin. Open plan lounge, dining and your kitchen really is a room with a view looking over the backyard so delightful. Mains gas ducted heating with keep the home warm and fans for the warmer months. The outdoor entertaining is a benefit, a great space and flowing nicely from the kitchen. Established gardens and fully fenced this home is super. A must to inspect.
