An abundance of living space, both inside and out, makes the Stamford the ideal family home. A separate ground floor bedroom with a bathroom and office space is ideal for teenagers or guests, while the upper floor features a separate kids' zone with activity room and family bathroom. Entertaining is covered thanks to the luxurious centralised kitchen with butler's pantry overlooking light filled open-plan living areas. A separate semi-open lounge to the front, featuring an integrated balcony enhances the feeling of space. Sliding glass doors open to the rear to reveal a covered alfresco area allowing cooling cross breezes to flow through the home. With an impressive two storey frontage, the Stamford is designed for steep sites that slope down to the front of the home. *Price is subject to final contour plan, bushfire (BAL) report & council approval. *Images in this listing are for illustration purposes only.
