This solid brick home is located in the beautiful coastal town of Urunga, within walking distance to the Kalang River and only 2kms from the towns centre and beaches. Offering a functional floor plan, the home features 3 bedrooms, including master with ensuite, spacious main bathroom, formal lounge room with reverse cycle air conditioning, floating timber floorboards and a classic timber kitchen with electric oven, cooktop & dishwasher. The kitchen & dining area opens onto a covered outdoor area, overlooking the stunning in-ground pool to enjoy on those warm summer days. The level 764 sqm block has a fully fenced backyard with established gardens and a drive through garage. This home offers a great option for an array of buyers and presents a fantastic opportunity to really make it your own.
