Set on an impressive 1,171m² only a short walk from Belgrave South town center, this property is looking for its next owner to transform the residence and make it their own, or for someone to start again and create their dream home subject to council approval. The current floorplan offers an open kitchen and living area, a sunroom at the back of the home and two spacious bedrooms both serviced by the family bathroom. There is under house storage as well as a carport and sundry shedding for the toys and tools. The gently sloping block offers a blank canvas, the rear yard enjoys lovely treetop and distant mountain views and with a little bit of creative thinking you could create something special to maximize the view. This property would suit someone with trade or building expertise looking for a project to add value to. Located within easy reach of shops, schools, sporting facilities and parkland, everything you need is right at your fingertips. If you're looking to get your foot into the ever-popular Belgrave Heights, this one is for you. Inspection is a must!
