This lovely character cottage is secluded behind mature Blue Spruce and a glorious Sakura Cherry Tree. Situated on the edge of town, but only 10 minute's walk to the centre, this home is ideally situated for a savvy investor; or a young family or couple who are looking for a tree change. Along with 3 bedrooms, this home boasts a new open-plan kitchen/dining area, ample living space plus a separate studio / office / teenage retreat, greenhouse and workshop. Much of this home features honey-coloured original pine floorboards. Solar panels located on the roof of the studio help to reduce electricity bills and reverse-cycle air-conditioning will keep you at a comfortable temperature all-year-round.
