## THE DREAM OF EVERY INVESTOR !!

Welcome to 60 Beck Street, Park Ridge. This impressive 'CHOICE HOME'S' dual key has already been setup with great long-term tenants in place and an excellent return on investment from purchase date. This is where real investment potential exists in a changing market. Great location, potential for even greater returns and a depreciation schedule (\*available on qualified interest) that sets this style of properties apart from standard investment properties.

Positioned on a great 486m<sup>2</sup> block, you will be impressed by the floor plan of this design. 3 bed, 2 bath with 1 car, plus 2 bed, 1 bath and 1 car unit. Full landscaping with gardens, fully fenced and both units offering impressive alfresco areas. Great open plan designs and the spacious 3 bedroom unit offers separation in the floor plan with bedrooms 1 and 2 at the front of the unit and master bedroom at the back.

Great for those who wish to add more properties to their portfolio or those who have money in SUPER and wish to invest for a higher return.

The current combined rent is \$725/week. The estimated rental income in the current market could achieve approx. \$800/week for both units.
