This 3-bedroom weatherboard home is located in a peaceful area on the outskirts of Triabunna. The property sits on approximately 10 acres of land, providing ample space for keeping horses or starting a hobby farm and storing large machinery or caravans. The property is fully fenced, with three separate paddocks for your animals and three separate entry gates from two main roads. The home itself is also fenced and has a lock-up farm gate for added security. It is serviced by town water and the NBN. The house has three bedrooms with built-ins, rumpus room, a separate kitchen, lounge room, dining area, and family bathroom. Both the lounge room and the dining area have a wood heater and a heat pump, which makes the home cozy and welcoming all year round. This property is perfect for those looking for privacy and ample space, located just over an hour away from Hobart. You can take a short stroll or a quick drive to the iconic Triabunna Wharf, and from there explore the serene waters of Spring Bay before heading out to Maria Island to discover breath-taking scenery and wildlife. The local village is nearby and offers an IGA Supermarket, a variety of services, takeaway, and dining options.
