Wood-look tiled floors give the living areas a cool, contemporary feel. The built in study nook is the perfect spot for all your family's work and study needs. And the 31-course double garage was built with extra space to accommodate a large rear roller door, allowing access to the side of the house, an area that is wide enough to fit a trailer. All three bedrooms are large, with the spacious master benefitting from a floor length window, and featuring good sized ensuite, enclosed WC and dressing room. Bedroom 2 is queen size and features double mirrored robes. Bedroom 3 has ample room for a double bed and has a built in robe. The rear garden is North facing, making the most of the WA sunshine from dawn to dusk. This makes the alfresco the perfect entertainment area. Both gardens are low maintenance, with high quality artificial turf in the back. Situated just over a kilometre from the pristine Indian Ocean coastline, you are within walking distance from Oceans 27 seafront restaurant, and the Amberton Beach Bar and Grill. The area is abundant with parks and playgrounds, with a medical centre and childcare facilities also within walking distance. There are plenty of local schools to choose from, with the excellent Shorehaven Primary school just a 5 minutes stroll away.
