\$1900 pw

We're excited to say 60 Central Road offers the Avalon 'lifestyle trifecta': 1. Located at the early part of Central Road and opposite the shortcut to the village and beach via Dunbar Park 2. A rambling character home on a huge block of approx 919 sqm with a pool 3. Ocean views (smell the salt and hear the waves) and best of all it comes without the beachside price tag. Entrance Level • Step inside and you instantly feel the warm family vibes. Whether you're curled up on the lounge in front of the log fire, swimming laps in the pool or chilling on the upstairs terrace watching the whales in the ocean, there's a choice of gorgeous places to relax in and enjoy. • Timber flooring and large picture windows • Updated kitchen with ocean outlook plus loads of storage, breakfast bar and gas cooking • 2 spacious bedrooms • Study hub conveniently located off the kitchen • Family bathroom • Powder room • Outdoor undercover entertaining area/sunroom Upper level • 2 generous bedrooms, one with BIR the other with stunning ocean views. Both with direct access to upper balcony. Gorgeous at night with the balcony door open listening to the sea. • Ensuite bathroom • 3rd (oversized) bedroom or 2nd living with BIR and sunny garden vista Expansive rear garden with large built in swimming pool and a double garage! It's all about location, location location! 300m level walk into Avalon village/beach/public school and public transport, Maria Regina just a few doors down. They rarely come up this close to the beach and village, so get your skates on! 2024 - an application can be downloaded from: <https://www.blakeproperty.com.au/renting/tenant-forms/> Our agency provides executive style property management services for leasing homes on the Northern Beaches. We look forward to assisting you with a 'more rewarding' property experience. We have obtained all information in this document from sources we believe to be reliable; however, we cannot guarantee its accuracy. Prospective tenants are advised to carry out their own independent investigations and inquiries.
