Enjoying a timeless Italianate Victorian façade, 'Welhmina Villa' is a glorious 5 bedroom 2 bathroom double fronted 1880s treasure that uncovers sympathetic beauty and surprising family scale. Charmed with high ceilings, ceiling roses, leadlights and hardwood floors, this elegant abode reveals a trademark arched hallway, 3 lovely downstairs bedrooms (mirrored robes), a traditional dining area, a superb open living area, a quality timber/granite kitchen (stainless steel appliances), a glamorous spa bathroom, separate powder room and an open laundry in the paved and covered rear alfresco courtyard. Upstairs remains 'on theme' with its 2 further generous bedrooms (mirrored robes), another striking spa bathroom and a wide café balcony where you can escape from the rush with a drink or two. Super secure with CCTV, video intercom, an alarm, security grills and a gated entry courtyard, this family sized classic is complete with reverse cycle air conditioning, water tanks and secure parking via an auto roller door. Footsteps to Victoria Street's international flavours, Woolworths and Aldi, city trams, North Richmond station and Richmond West Primary School, while moments to Bridge Road and the MCG.
