The location almost opposite the very handy Henry Street shops could perhaps be a little too handy for that craving of chocolate, fish and chips or cleansing ale after a long day at work! Set on a good sized, super low maintenance block the home is awaiting its next lucky owner after being much loved by the same family for nearly 35 years. Features include:- Light filled living space with split system air conditioner & gas heater.- Original but functional kitchen including upgraded gas oven.- Refurbished bathroom with curved glass shower and large vanity.- Finishing the package off is a reasonably new 6 x 6 mt steel garage with concrete floor and power. Don't delay, book an inspection today!
