Beach living at its finest is on offer here, with your chance to secure a future of seaside serenity for your family. This spacious and homely family property sits just metres from the lovely Burgess Beach, one of Forster's favourites! But that's not all it offers... Proudly perched in an elevated position on a sought-after crescent, this double-storey home sits on a decent-sized, well-maintained block of land. The eye-catching painted brick façade, tiled roof and feature timber door set an attractive tone, while the paved driveway and double garage on the lower level are a hint at the high level of functionality found throughout. External steps lead to a long front balcony, from where there's access to the living level. Entry is into a carpeted and air-conditioned living room, full of natural light and easily flowing into the meals area. Multiple living areas are a strong feature here, as there's also a large formal dining room and a family room to enjoy. The centrally located kitchen has luxurious timber floors, complemented by wooden finishes to the cabinetry. It's well-equipped with reliable appliances, and entertainers will love the amount of bench space on offer. They'll also love the back patio, accessed via the family room's sliding glass doors. From here the lush, green backyard is enjoyed. Three generous bedrooms all have built-in robes and are serviced by a main bathroom with separate bath and shower. An internal laundry room is a handy feature, as is the linen cupboard for extra storage. With the beach on your doorstep, you couldn't ask for a better coastal location. Throw in the close proximity to Bluey's Beach, restaurants and amenities of Forster town centre and Stockland Forster shops, and you're onto a real winner!
