Just finished a brand new renovation! Ray White Benalla welcomes you again to 60 Mackellar Street, Benalla. This home is situated within walking distance to the CBD, restaurants, supermarkets and stunning Benalla Lake. Benalla's local train station right at your door step making the commute to Sydney or Melbourne easy and convenient. Both the interior and exterior to the home have had some stunning renovations which capture the period charm with the modern convenience that we have come to desire. As you enter you will be captivated by the open plan kitchen, dining and living space, which is the heart of this home. The kitchen has been fully renovated and features a built in pantry, new gas oven and cooktop as well as new dishwasher. Flowing into the living space we have two ceiling fans, split system heating & cooling and the imitation fire place all ensuring that the space can be enjoyed with loved ones year round. Three bedrooms all host large windows which allow ample light into each room. The central bathroom has been totally renovated and features an open glass shower, single vanity and toilet. The central bathroom connects perfectly with large open laundry/mud room space. To the outside of the home we are situated on a 500m² corner block, with tasteful landscaping you are spoilt with undercover parking - which could double as an additional outdoor entertaining area, a bungalow/office/additional room to the side of the home with separate toilet as well as a garden shed, great outdoor area both on the side and at the rear of the property. Off the side outdoor entertainment space we also have the previously mentioned double carport, with wide gate access from the street. The 3kw solar system is just another feature on the extensive list. Some gorgeous work has been done to this property and it will be definitely one you will want to view to truly appreciate. Call Ray White Benalla today to book your inspection.
