Being offer to the market for the first time in 25 years, is this much loved family home. Positioned in a quite Katoomba location within walking distance to the local Primary School, Public Transport & Sporting Ovals. Accommodating 4 bedrooms and 1 bathroom, the main bedroom is positioned separately from all the other bedrooms and has the advantage of the rear yard outlook. There is an open plan kitchen/dining/family area which is light filled thanks to North facing windows and a carpeted formal lounge area that also has North facing windows. You also have flued gas heating, with extra bayonet points for extra heaters if needed and a large gas stove. 60 North Street, Katoomba has a fully fenced yard to keep the kids and pets in, a single car garage with internal access, along with a covered outdoor entertaining area looking into the rear yard. This is a single level home and is the perfect downsizer or entry level property pending your requirements. Well worth the look!
