A contemporary picket fence and just laid turf at the front, a generous paved courtyard bathed in the northern sun at the rear and perfectly presented, well-proportioned living in between. This is the ideal option for first-time buyers, investors and downsizers looking for easy living and proximity to amenities. Enhanced by new carpet and fresh paint, the fantastic free-flowing floorplan introduces a spacious lounge complementing it with an expansive open-plan living-meals. Integrating a kitchen equipped with stainless steel appliances, it flows out to the courtyard to create that sought-after connection between indoors and out. Of the three bedrooms, the main features a walk-in robe and ensuite access to the large family bathroom. There is an additional second toilet. Enjoying the convenience of the bus to nearby Northland around the corner, the Austin Hospital and La Trobe Uni are easily accessible, and Rosanna Village and station are within an easy walk. • Fresh paint • New carpet • Ducted heating • Split system unit • Day night blinds • Single car garage with internal access and roller doors front and rear • Laundry with storage
