This immaculately presented residence, tightly held for over thirty years, is perfect to move in and immediately enjoy. The well-maintained exterior is equally matched inside by a low maintenance home, proudly and exclusively retained by the current owner, and built by a prominent and respected local builder. Two double bedrooms both have built-in robes, the plan offering adequate storage while the main bathroom has been perfectly maintained, separate bath and shower with room enough for mobility items if so required. An internal laundry with cupboards, is set at the rear of the home and ideal for wash area. A double access garage is complemented by ample off-street parking, or an optional workshop with storage space available in this area.
