If you're looking for a stylish home with extra side access and a lockable workshop, this is the one!

Positioned on one of the most sought after streets in the area, this stimulating designed home is an incredibly unique 'family compound' where wonderful family memories will be made.

With mountain bushland views, and a very easy 10 minute walk to Redlynch Central Shopping Complex you'll be close to everything you could need.

- Large and private office cleverly positioned at the front of the house is ideal for study or home based business.
- Open plan lounge, kitchen & dining flows seamlessly through to the luxury V-shaped glass sliding doors to a substantial patio overlooking a low maintenance garden, perfect for pets, your family and friends
- Functional, modern kitchen with plenty of drawers, stone benchtops, a peninsula with room for bar stools and a large dining area, there's space to cater for everyone
- Central hallway leads to the main bedroom conveniently located at the rear of the property providing privacy with a lovely view of the backyard and a generous walk-through robe and contemporary ensuite
- Each bedroom features electric roller shutters for less light, noise reduction and peace of mind security, a great addition for shift workers and light sleepers.
- Family-sized laundry allows space for your washing machine and dryer at bench height maximises space and makes laundering more pleasurable
- Walking distance to Redlynch Shopping Centre and amenities, parks, cycling tracks and excellent schools makes living here extremely convenient
- Let your creativity come alive, design and build your dreams with the separate concrete workshop that matches the house.

With extra side access leaving you room for a pool and trampoline, a solid freestanding shed for all your gardening equipment and tools, high rear fence for privacy and a huge 13.2kw solar system, there's nothing left to do except move in.
