Auction \$980,000 - \$1,050,000

Situated in one of Coburg's most popular family-friendly neighbourhoods, this distinctive period home provides a lifestyle of immediate comfort and convenience along with outstanding options to further enhance and expand in the future (STCA). Filled with natural light, the well-presented interior comprises three generous bedrooms (large master with full-width robes) all serviced by a neat central bathroom. Adding to the appeal is a spacious kitchen/dining area complete with gas cooker, Asko dishwasher and adjoining lounge room. Other features of the home include split-system a/c, wood heater and ceiling fans to all bedrooms, along with solid timber floors, high ceilings and internal laundry facilities. French doors reveal a large undercover deck and sizeable backyard to enjoy, plus a handy garden shed and secure carport with remote-control roller door to the rear ROW. Walking distance to Melville Road trams, local buses and both Coburg West and St Fidelis primary schools, it's also close to popular cafes, Moreland Station and John Fawcner Hospital, as well as easy access to Citylink.
