A sensational custom-designed interior of rare quality and functionality is just the beginning of the breathtaking brilliance that defines this stunning city-view apartment. Award-winning Carr Architecture have absolutely excelled creating a high-end, low-maintenance haven to live luxuriously and entertain lavishly with this sublime 6th-floor apartment including a secure undercover car parking space and storage cage on title. Located just off Smith Street for incredible convenience to one of inner-Melbourne's most exciting culinary and cultural destinations, this beautifully-presented and ultra-stylish home is enviably situated on the north-west corner where sliding doors from multiple rooms converge on a covered entertainment terrace capturing wow-factor sunsets and city skyline views. Chic fluted joinery, quality oak flooring and desirable double-glazing accentuate a magnificently-designed, single-interior featuring superb main bedroom with a luxury ensuite and direct access onto the terrace, double second bedroom, bespoke built-in robes, fitted study nook, premium marble-finished integrated kitchen boasting excellent Miele appliances, light-filled living and dining room, sleek streamlined bathroom, European laundry plus ducted heating/cooling, ceiling fans, block-out blinds and video intercom. Fully secure and secluded, step outside and immediately discover why this is such an amazing lifestyle opportunity as all around are cafes, restaurants, bars and shops as well as trams into the city, freeway access, parks and tranquil walking trails.
