This contemporary and generously proportioned garden apartment is relatively new, constructed with an emphasis on maximizing both space and natural light. Its spacious open-plan living area seamlessly extends to an exceptionally large balcony. Nestled in the heart of Ashfield, it's just a short stroll away from the post office, shops, cafes, and convenient bus and train services, offering an ideal Inner West lifestyle for both homeowners and investors. Key features of the apartment include: *Two bedrooms, both equipped with built-in wardrobes, with the main bedroom having an ensuite. *An impressive kitchen with high-quality appliances and ample storage space. *The spacious open lounge and dining area provide a view in the distance. *Contemporary fully tiled bathroom and an internal laundry. *Air conditioning, video intercom, Secure parking space and an additional storage unit. *The bedroom and balcony offer an unobstructed view of both the Harbour Bridge and the cityscape. *Rooftop barbecue and seating area boasting district views, along with basement parking and an elevator.
