## **Awaiting Price Guide**

Real Homes Realty has now sold both of the original beautiful properties at 603 Victoria Rd. However, the builder has 2 more similar homes currently being built a few doors away. Built to the same high standard but with added sound proofing and high end double glaze windows throughout, these homes are definitely worth inspecting. Completion in approx 42 days time. They are modern and stylish 3 bedroom homes with 2 full Bathrooms, a Powder room, Kitchen, dining/Living room, Alfresco and a wide single garage. Access is also available with more parking from the rear lane behind the property. We have saved the photos and video to give you some idea of how the new builds will look. A slightly different floor plan but we have attached the floor plan of the new builds for your reference. Positioned close to transport, shops and the University. Inspection by appointment only . Be quick to secure one of these properties and if you are quick, you may still be able to make some changes and choose your own colour scheme, flooring, bench tops or taps but that will depend on how quick you are. For more information please call Chris 0450 045 076 or Mina 0431 516 489
