On the edge of the city, this exceptional apartment blends classic design with contemporary flair. Light and spacious, with the city as a spectacular backdrop, it features two generously sized bedrooms, the main featuring a walk in robe that leads to an ensuite, while the second bedroom has built-in robes. The apartment also offers a high-quality kitchen, spacious dining area, and living room with floor-to-ceiling glass doors that open to a full width balcony, plus a well-appointed central bathroom. Added features include split system heating and cooling, exposed concrete ceilings, custom-built cabinetry throughout, European laundry, video intercom entry, storage cage, and a secure car space. Walk to local shops, cafes, the Queen Victoria Market, universities, medical facilities, and the city, plus there are a variety of tram options right at the doorstep.
