\$550 per week

New to the market this stunning 1 bedroom studio is now available! Included in the weekly rent: Electricity, lawn and garden maintenance and internet. This studio consists of a large open plan living, the area is overly spacious in size offering you plenty of room to move. A large modern kitchen which flows into the dining and living. Your main living is surrounded with large windows and sliding doors to utilize the river breeze. At the front of the property, you are welcomed with a well-positioned sitting area that compliments the waterfront views. Which will soon become one of the favorite areas of this property. At the other end of the studio, you have a large area that can be used as an office, bedroom or second living. This property is well equipped for anyone who works from home or is looking at starting their own business as it offers you the space that you need. The jetty along the river is a great place to wind down and relax after a day of work! Features include: - Electric cooking. - Reverse cycle air conditioning. - Queen size bedroom with ceiling fan. - Large, combined laundry and bathroom. - Two outdoor entertainment areas. - Double lock up garage for car parking or storage. This property has a shared driveway. Inspection will not disappoint!
