THE DEAL Easy-care indulgence takes family living to a luxe level in this incredibly spacious and contemporary home, with outstanding design evident in every room. Streamlined yet not compromising on space, the low-maintenance exterior and naturally light-filled layout bring exclusive style to a prized family-wise position, just moments away from sought-after primary and secondary schools, vibrant Centre Road, local transport and Halley Park. The lifestyle and modern ease are a brilliant combination and come with the spaciousness of a large sitting room and an open-plan family room at the rear, complemented by a generous gourmet kitchen with a butler's pantry/laundry and premium Bosch appliances. High ceilings flow throughout, highlighting the scale and natural light from the rear aspect, inviting indoor-outdoor entertaining through sliding doors to a covered deck, where external blinds transform it into an outdoor living space for all-year round enjoyment. The interior features and finishes are simply excellent, with a wide entry foyer, polished timber floors, a security alarm, and a suspended timber staircase. When you enter the main bedroom suite, you feel like you're staying in a luxury hotel, where you walk through to a relaxing retreat boasting a walk-around fitted wardrobe and a stylish ensuite with a double vanity. Three additional bedrooms, two with walk-in robes, offer plenty of space for the entire family and guests, including a ground floor bedroom with an adjacent bathroom. Thanks to a single remote garage and off-street parking, keyless entry, solar hot water, plenty of storage, a freestanding bath in the upper-level family bathroom, hydronic heating and split systems throughout, all the practical factors are taken care of. SEALS THE DEAL Step into excellence, and don't lift a finger!
