Located on the fifth floor of the 'Iskia' development, this spacious two-bedroom apartment is the place to be, and will rent quickly. Iskia is located across the road from the ASIO building, within walking distance to Lake Burley Griffin so a Sunday lap of the lake is made easy, within sight of the Russell Offices and the ever evolving C5 precinct. Stepping inside you will be impressed by the functional floor plan and the panoramic northerly views towards Mt Ainslie. Number 61 is located on level 5 and is therefore flooded with natural light throughout the mid-morning and mid-day. Both bedrooms have large windows and therefore are not like some of their Campbell counterparts which don't have any natural light.
