Positioned within close proximity to schools, Alfredton recreation reserve and Lucas town centre sits this well-presented family home. Featuring four good size bedrooms, the master with walk in robe and ensuite, whilst the remaining three all have built in robes. The kitchen is well equipped with stainless steel appliances and flows into the sunlit dining and main living area. A second living space is ideal for a theatre room, kids play area or parent's retreat. Relax outside in the undercover alfresco whilst the kids play in the secure, low-maintenance, backyard. Other features include gas central heating, split system cooling and double lock up garage with direct access into the home. A great package for investors, families or young couples wanting the Alfredton location mixed with low maintenance living.
