\$661,000

Postwar and constructed of weatherboard, with hardwood frames this home has been solidly constructed. Internally the property has great flow with large bedrooms and character floorboards. Currently the property is being rented, so would make an ideal superfund or land bank opportunity. Alternatively buyers with energy can turn this into something really special and call the property home. Residing in a quiet leafy street with long term neighbors, the property is ideally located. As a bonus the great sized 607m² allotment is very flat and has a 20 m frontage. Features include; Postwar home with three generous sized bedrooms one with built in Single garage plus a carport Fully fenced Character floorboards Fans throughout Blinds and screens throughout If you have been carefully considering your next investment or development LMR opportunity then you should be giving this property the attention it deserves.
