Totally unique and completely charming, 61 Foster Street is a 3 bedroom house in Railton and is the perfect place to call home. Built in the 1930's, it is situated on an expansive block of over 3 acres, in a convenient location close the township, and offers everything you need for comfortable country living. The solid brick home has spacious living areas with an attached garage & rumpus room with its own toilet. Another large shed with a workshop and a wood annexe is located in the rear yard. Step inside to find a great sized lounge room. Here the timber lined ceiling, exposed brickwork and large wood heater create a cosy space to spend cold winter days. A semi-open layout allows for an easy flow between the living room, dining area, and kitchen. The cosy kitchen is full of country charm and is equipped with all the essentials needed for daily use, whilst the adjoining dining room gives a feeling of yesterday-year with yet more timber features, built in bookcase and a suspended clothes airer positioned perfectly above yet another gorgeous fireplace. The 3 bedrooms in this house are spacious and offer plenty of natural light, creating an inviting atmosphere, with two of them enjoying lovely bay windows. The bathroom features a functional layout with a toilet, vanity, separate bath and shower. Outside, the land has been divided to create a fenced in area around the home with an undercover BBQ area, garden and mature trees. The back section of the block boasts huge native trees and paddocks, leaving the space open to many uses depending on your needs. Located in the peaceful suburb of Railton, this property offers a quiet and relaxed lifestyle while still being close to all amenities. You'll be close to local schools, shops, and public transport options and just a short driving distance from Latrobe & Devonport. Don't miss your chance to make this lovely house your new home.
