This fantastic two-bedroom shack is a great opportunity for the purchaser who is looking for a weekend getaway, investment or even a permanent residence. Miena is the hub of the Central Highlands, boasting some of the best trout fishing in our world class fisheries. This property is serviced by town power, an onsite septic system and rainwater collection. This shack has been up until recently a permanent dwelling which has allowed for continued maintenance to be kept at a high standard with recent additions including a large double garage, a new gas hot water system to name a few. The beautiful north facing deck at the rear of the home which flows from the living room of the house is a fantastic area to enjoy the warmer months with a glass of wine or beer.
