This cottage home would be perfect for any small family or first home buyer. Upon entering this home, you go into the main living area, To the left you have the good-sized master bedroom with wood fire. Through the lounge room to the right, you have the second bedroom and to the left you have the very neatly renovated kitchen area with gas oven. Off the kitchen you have the good size bathroom, laundry and toilet, to the back of this area which leads to the third bedroom. To the rear you have the patio and good-sized garden with Sheds and vegie gardens. This great property all sits on an 893sqm block.
