Bathed in north east light and blessed with a solid, single level construction, this low maintenance home on a corner allotment of approximately 420sqm has been updated for modern comfort with room to add your own taste later. In a super convenient location on the cusp of village shopping and potential use as a medical centre with extensive off street parking, ideal for client use (STCA). Built in a time when quality and craftsmanship was king, the home retains hardwood floors, decorative cornices, a clinker mantle and textured glass doors that offer character and class throughout. This home comprises twin living and dining zones with vast steel framed windows that harness the delightful north east light before opening wide to an updated kitchen with terrific storage and dishwasher. Three robed bedrooms are served by a spacious bathroom with tub and a separate laundry with an additional powder room. Also features ducted heating, ducted cooling, a storage shed, two crossovers and generous off street parking. Conveniently located to Mackie Road local shopping and dining precinct and within easy reach of the popular Oasis bakery and bus routes. Also close to Mackie Reserve, tennis club & bowling club, Coatesville Primary School, OLSH, Sacred Heart Girls College and Oakleigh Grammar. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
