Sitting on the high side of the street, with a lovely outlook over the neighbouring reserve and suburbs, is this low-maintenance, colourbond clad, aluminium window, 3 bedroom home. It is perfect for a first home or easy investment. The kitchen and bathroom have both been updated and the home is kept cosy and warm with reverse cycle air conditioning. An added bonus to the property is the sun room which gives you an additional living space, plus there is a huge storage area/workshop under the home. Undercover parking is provided for your car in the carport which is located close to the back door, and there is an extra off street parking bay for an additional vehicle. The backyard is fully enclosed and landscaped to keep children or four legged friends safe. For more information or to view this very neat property, please contact Wendy.
