Pre Auction

Inside this stunning property lies a modern and beautifully designed residence that offers flow and functionality. The living area leads onto a covered outdoor entertaining area and in-ground pool. Modern kitchen with stone bench tops, walk in Butler's pantry, open plan living and dining areas. The master bedroom with en-suite overlooks the pool area. This home has been designed and built with a fusion of influences that will not disappoint. All within a short level walk to the Waterfront and Saratoga Village!
