Set on a level easy care block in a very convenient location this home is the perfect match for a young growing family with dual living spaces. Well designed, from the first step inside, the spacious layout offers a combined formal lounge and dining and a huge meals and rumpus with high vaulted ceilings offering a wonderful feel of space. Four bedrooms serviced by two bathrooms. (The master bedroom has the ensuite and the main bathroom is a practical 3-way design). The spacious sunny kitchen has natural gas cooking, plenty of bench space and storage. The double garage has been converted to a games room and storage space but could easily convert back to a garage – the choice is yours. Boasting easy access to local shops, transport, parks, buses, Tallawong Oval, Nurragingy reserve, Featherdale Wildlife Park and Australia Zoo, the position is perfect!
