M Docklands Apartments, ideally located in the Docklands area, are just a short stroll from Etihad Stadium and a few minutes' walk from Southern Cross Station and the CBD. For those preferring not to walk, the Free Tram Zone on La Trobe Street provides direct access to the CBD, the Harbour, and Harbour Town. The complex boasts two distinct entrances and elevator systems for residents and hotel guests, ensuring privacy and exclusivity for long-term residents who opt for the residential-only lobby. However, residents also have the privilege of using the hotel lobby, which seamlessly connects to the residential lifts. This offers convenient access to the area's first 5-star hotel restaurant and bar, Momami, located within the premises. Our M Docklands apartments are characterized by their bespoke, contemporary design, offering a unique blend of elegance and distinctiveness. Each apartment is individually crafted, varying in size, layout, color scheme, and features. This particular two-bedroom apartment includes spacious bedrooms with built-in robes, a large shower, and ample storage space. The open-plan living and kitchen area, equipped with a modern kitchen featuring gas cooking and a dishwasher, along with a separate European laundry, makes for an ideal living arrangement. The apartment also benefits from split system heating and cooling, ensuring comfort throughout the year.
