Nestled on a sprawling 10-acre canvas, this property offers endless opportunities to create the rural retreat you've always envisioned. The long-held property awaits a modern update or a total redevelopment into a grand country estate (STCA) that complements this spectacular setting. The property features two old poultry sheds, versatile spaces that can be repurposed for storage, workshops, or any number of creative uses. Additionally, there is a large machinery shed and several smaller sheds, providing ample room for equipment, hobbies, or additional storage needs. A picturesque dam adds to the estate's rural charm, perfect for irrigation. The property is well-fenced, ensuring privacy and security. Conveniently located, the property is just a short drive from Wallaroo Primary School, Western Port Secondary College, and the bustling Hastings town centre and Balnarring village, offering both tranquility and accessibility. It is also close to well-known wineries and beaches and a 60-minute drive to Melbourne CBD.
