Welcome to the prestigious "White Sails," where opulence meets convenience in the heart of Port Macquarie's CBD. This sixth-floor apartment offers a harmonious blend of space, abundant natural light, and refined interior finishes. Gazing out from your window, you'll be greeted by an exquisite panorama of waterways, creating a captivating backdrop for everyday life. Nestled within a tightly-held apartment complex, this property delivers an unrivalled lifestyle where every amenity, from charming cafes to retail shops and entertainment venues, lies minutes from your doorstep. The gentle breeze from the Hastings River is a constant reminder of the tranquillity that this location affords. Inside, the interior boasts a modern design and neutral palette complemented by bountiful natural light. The thoughtful layout features generously proportioned rooms, making it an excellent choice for those transitioning from larger family homes, all while maintaining a commitment to quality and spacious living. The kitchen has undergone a stylish transformation, now graced with stone benchtops, a dishwasher, electric cooking, and ample storage, conveniently connecting to dedicated living and dining zones. For year-round comfort, there's the added convenience of reverse cycle air conditioning and ceiling fans. Step out onto the expansive north-facing balcony from the open-plan living areas, providing an ideal setting for alfresco relaxation. Here, you can savour the river views and indulge in breathtaking sunsets that paint the hinterland, all with the CBD as a sparkling backdrop. The master suite, offers a walk-in robe, a sleek ensuite, and access to a spacious, north-facing balcony. This is your private oasis, perfect for unwinding after a long day. Two generously sized queen bedrooms are thoughtfully designed and share a luxurious bathroom that includes both a bath and shower, along with a separate toilet and laundry area. The 'White Sails' complex is a testament to upscale living, featuring beautifully landscaped gardens, shared communal spaces, a meticulously maintained foyer, and the added convenience of an enclosed clothesline area. As if that's not enough, the complex also boasts advanced video intercom security for secure access, an elevator for convenience, secure underground parking for two vehicles, and a dedicated 3.3m x 1.9m lockable storage room that further enhances the overall appeal of CBD living. Don't miss this golden opportunity.
