Nestled on a generous 863sqm (approx) block, this charming and cosy residence exudes warmth and character. As you step onto the property, you'll immediately notice the serene surroundings, with mature trees providing natural beauty and shade, and an advanced garden that blooms with colour throughout the seasons. The kitchen boasts a large free standing oven and cook top and there is ample cupboards and bench space for storage and food preparation. With the bonus of an open plan kitchen/meal area layout this will allow you to still entertain guests while cooking up family meals. There is a large living area with double glass doors that lead out onto the front decked area that overlooks neighbouring landscape and is the ideal place for a summer BBQ or outdoor entertaining. The home is equipped with solar panels, a split system AC, ducted heating and a near new heat pump HWS. There are 3 bedrooms with BIR's and a single family bathroom that is spacious enough to accommodate everyone this home offers a great option for first home owners, downsizers, investors or retirees to purchase a low maintenance home that is still on a large parcel of land. Outside there is a double lock up garage, giving ample room for parking cars and extra storage space for tools, hobbies, or sports equipment. Keen gardeners will enjoy the extensive garden featuring a variety of plants, flowers and a serene atmosphere, the perfect place to relax, entertain, or cultivate your green thumb. Keeping the garden hydrated over the summer months will be both economical and cost effective with the addition of two upright 1000 litre water tanks down the side of the home.
