Enjoy coming home to your brand new apartment with its spacious living, timber floorboards, generous storage and floor-to-ceiling windows. Preparing meals will be a joy in your full-size kitchen including stone benchtops, timber details and European appliances. Chic stone finishes, premium tapware and floor-to-ceiling tiles finish the bathrooms. The bedrooms come complete with plush carpeting, built-in wardrobes and blackout blinds. Head outside and unwind into the afternoon while you enjoy the fresh air on your balcony. HOME is just 20 minutes from the CBD and in the heart of Alphington. Located on the corner of Heidelberg Road and Chandler Highway, enjoy central living, convenient public transport options, lush parkland and tree-lined streets. Plenty of shops, restaurants, cafes and schools are just a short walk away. Combining natural textures with glass for the facade, the building climbs 17 storeys high and is located on the former Alphington's paper mill site. Enjoy easy access to a long list of amenities and shared spaces including a sky pool, fully-equipped gym, moonlight cinema and three-quarters of an acre of open, landscaped space and communal areas cleverly integrated into the building.
