Location! Position! Potential!

Steeped in history, this Middle Park family home is on the market for the first time having been owned by the same family for over 65 years.

Originally built on a small acreage farmlet in the mid 1950's, well before the Centenary Suburbs became a development, this home has stood the test of time.

Whether you have the passion and imagination to renovate or are dreaming of creating your own masterpiece, this prime piece of real estate offers you the opportunity for either.

The 685 sqm allotment features a high and dry, sweeping frontage showcasing distant mountain views. It also has an enviable position within a short walking distance of golf club, local schools and child-care centres, Middle Park Metro shops and public transport.

Times change and there is no illusion that progress is beckoning. Be the one to take advantage of this abundance of opportunity so you can make your own dreams come true.
