Tucked out of sight is where you will find 62 Nielsen Avenue which effortlessly sprawls over 2 acres of bore fed lawn and gardens. The house itself offers 4 good size bedrooms with the master suite being serviced by an ensuite. There are multiple living areas inside the home including a media room which allows the entire family to relax and unwind. There is a huge entertaining area which overlooks the 2 acres and the in-ground salt water pool. The pool is perfect for the kids this coming summer and even better for Mum and Dad with its in-floor cleaning system. There is also an enormous 19m x 7.8m powered shed as well as boat or caravan lean to and 2 car carport. This private oasis is awaiting your inspection and needs to be seen to be truly appreciated.
