SECOND CHANCE! Bring the Tools! Not quite the Notre dame or Windson Castle but if you have the energy and expertise to carry out a fairly serious renovation, the rewards will be just as satisfying and if you flip it, you'll laugh all the way to the Bank! Oozing character, this 1930s brick construction with already new roof, stained glass, wide Jarrah floorboards, high ceilings and wide verandahs should wet your creative appetite! Make a time to inspect or call Kim 0415 132 471 or Jennie Bryant 0417 969 033 for more information (Sorry no Keystart applicants)
