Auction \$1,100,000 - \$1,200,000

One of the area's earliest and most attractive homes, this solid-brick gem has been tastefully transformed to deliver a top-quality modern lifestyle with its generous design and immaculate garden surrounds. Bathed in natural light, the home's impeccable interior comprises 3 bedrooms (all with BIRs), stylish bathroom and separate toilet, open lounge and dining areas complemented by a first-class kitchen with stainless steel cooking appliances and dishwasher. Add to this ducted heating, gas fire place and split-system a/c, ceiling fans, solar panels, polished floorboards, modern laundry, plus outdoor undercover entertaining deck with inbuilt entertainment speakers and north-facing yard, large workshop/storeroom, carport and additional off-street parking via gated driveway. Wonderfully convenient, Macleod Station, local parks, Aberdeen Road (Macleod Village) shops and Macleod College are all within easy walking distance. High-quality, low-maintenance perfection! Brett Schembri & Ash Lawson | Ray White Macleod
