A premier Wattlewoods Estate position compliments the family-centric design of this immaculate 3-bedroom home, offering a mix of spacious sophistication and contemporary comfort for a way of life that exceeds all expectations. A striking brick and rendered facade, covered entry, and rich tiled floors highlight its high-quality, low-maintenance focus, maintaining a separation of space with zoned lounge and dining spaces to either side of its central stone-topped kitchen. A suite of high-grade appliances is sure to appease the most discerning of chefs, making for easy living and entertaining with sliding doors stretching out to its sunbathed terrace and easy-care gardens. Upstairs, the main suite is a sanctuary with a full ensuite, with two additional bedrooms encircling a matching family bathroom. Split-system air conditioning, LED downlights, plantation shutters, a rainwater tank, and an extra-long single garage provide the finishing touches to a home that surprises with every new view, located a short distance from Local Village and Carrum Downs shopping centres, Banyan Fields Primary, Carrum Downs Secondary, public transport, and freeway access
