This double storey 4-bedroom, 2-bathroom home is a perfect combination of comfort, location, lifestyle and is an ideal purchase for savvy buyers. Presenting with a classic 1920's façade with modern interior this stunning property is split across 2 levels with the top level featuring a large bedroom, home office space and level landing. The ground floor offers an abundance of natural light and features 3 sizeable bedrooms with BIRs, a master ensuite, modern bathroom with bath, open plan dining and living area with a stunning modern kitchen that features Blanco stainless steel appliances and large island stone bench. The landscaped undercover outdoor entertaining area is perfect for unwinding and includes a beautiful veggie garden and fernery. Other notable features include open fireplace, split system heating/cooling, timber flooring, high ceilings and remote lockup garage with workshop and large mezzanine storage space. Located in a wide tree lined street only moments from the Botanical Gardens, Williamstown beach and having quick access to schools, cafes, public transport and the Westgate freeway, this home and position has it all. Not to be missed.
