\$630,000 - \$649,950

* This charming Bungalow is so beautifully gardened both front and rear.* Endearing period features include clear & coloured leadlight, ornate cornices & ceilings.* A modern extension at the rear showcases inspired ceiling feature, an abundance of light, and opens to an elevated deck with views.* The thoroughly modern kitchen has stainless steel look elec oven, gas cooktop, rangehood and dishwasher. A SS two-door fridge remains too. * You will love the crisp, white theme of the kitchen joinery which includes a large island bench for preparation and breakfast bar use. * A three-bedroom floorplan. Feature box bay window to master room. All three bedrooms have ample robe space.* Ducted underfloor central heating is complemented by a well-positioned split system. * Fisher & Paykel combination washer & dryer will remain in a European-type laundry format.* Solid fencing both sides & rear, & indeed across the front. Useful hobby shed. Original external laundry still intact and useful.* A terrific Golden Point location, on a bus route, so close to recreation and so importantly close to the city centre.
