The Location: Originally part of Hazelmere, the suburb of Bushmead (6055) represents a new chapter for this very special area. The community of Bushmead has fast emerged as one of Perth's most environmentally sustainable, and forward-thinking communities. When planning the brand new Bushmead community, Cedar Woods recognised the suburb of Hazelmere had strong industrial connotations. With the development set to be urban infill amongst a natural bush setting, far removed from the industrial environment of Hazelmere, Cedar Woods lobbied with local councils and government to rename the site Bushmead, a name more aligned to the vision of the leafy suburb we know today. Please note: \$10k First Homeowners Grant is factored into this price. Air conditioning and internal wall paint are not allowed for but can be added in if desired. Rent ready items such as rear landscaping and letterbox is not allowed for but can be added in if desired.
