Tarneit is growing quickly, with an abundance of new shopping centres, schools, transport, dining and entertainment options for our community to enjoy. And you're in the middle of it all at Creekstone. You're closer to established parks, high quality schools, Tarneit Central Shopping Centre, Tarneit train station and the local freeway network. Just along the corner, a green open space and Nearnung Primary School already opened. We're proudly part of the ABN Group, Australia's leading construction, property and finance company, and owned by partners Aidan Hooper and Dale Alcock. The ABN Group was established in 1978. Since then, with a family of 22 companies across Victoria and Western Australia, we're still true to our philosophy of building every home as if it's our own. We've built more than 88,000 homes and we've steadfastly maintained our attention to quality. So, although you may be building your first home, we have built many. And with every home we build, we only get better. Available in four- or three-bedroom variations, the single storey Levi floorplan is cleverly designed to maximise all the space on your block. The main bedroom is positioned to the front of the home and features a sizeable ensuite and walk in robe, with three minor bedrooms and a centralised bathroom positioned further down the passage. At the rear of the home, you'll find an entertainers kitchen complete with walk in pantry and a large kitchen bench. The light filled dining and living areas look onto the backyard with an e-zone cleverly tucked away in the back corner. Your new home will come standard with quality inclusions, industry leading guarantees/warranties and brand names that you can trust:

Westinghouse stainless steel appliances
