629 George Street South Windsor is set on a massive 930 sqm block. The heart of this three-bedroom, one bath home is the beautiful light filled kitchen-dining room, with freshly painted interiors, newly sanded and lacquered Cyprus flooring, gives that sense of nothing to do as you walk through the house. Added with the convenience of modern amenities such as double split-system air conditioning and an ultra-modern family bathroom is a testament to modern luxury. The property is completely non-flood effected, conveniently located in a central location, close to arterial roads, surrounding schools, ten minutes to the netball courts and the Hawkesbury Oasis fitness and aquatic centre. This light filled three-bedroom home is perfectly positioned on a massive 930 sqm block, featuring a triple garage with lock-up workshop or storage space. Enjoy the comfort of living in a versatile home with the family room overlooking the fully fenced, child friendly backyard. In summary, this home combines location, practicality and convenience, presenting an unmissable opportunity in the real estate market. Inspections by appointment.
