Global RE is pleased to present to the market this wonderful young duplex. The property enjoys tones of natural light as long as the sun is up, given it is situated on a corner block. It is also located in a short walk to Fairfield shops in a quiet street. The property offers:- 4 bedrooms all on first level with ensuite in main- 2 bathrooms on first level and another toilet in the ground floor- beautiful interconnected 2 large living areas with huge kitchen- amazing vast backyard that was all tiled up- multiple split system air-conditioning and solar panels. Another unique point about this home that you can get CDC approval to build a studio at the back with side access separate (STCA and advice is must to be obtained from private certifier regarding the size) secure the deal before its gone!
